Welcome to the 2018 LLED Prospectus!

I'm excited to share three regional events that generate excitement and connection for you and the local community.

We started our SAMPLING Limb Loss Education Days as a way to spread the resources and passion of our National Conference across the country.

Please consider adding your presence to these one-of-a-kind events. With an average of 100 attendees, you get focused attention and interest and a chance to demonstrate your support of the community and the Amputee Coalition.

I also have several sponsorship opportunities available and would be happy to talk about what interests you.

Thank you for considering this low-cost, high-impact event!

Sincerely,

Kelly Wood
